Dear Frontier Families and Staff,

This letter is to inform you that Frontier Schools Board of Directors has accepted an offer of sponsorship from the University of Missouri – Columbia (MU). MU will be Frontier Schools' new charter school sponsor effective March 1, 2019.

We are excited to announce our new partnership with the MU Office of Charter School Operations and we look forward to collaborating with them to achieve exceptional educational outcomes for all of our students. MU currently sponsors three charter schools in Kansas City and four charter schools in St. Louis. These schools vary from individual elementary schools to those with multiple campuses, enrolling nearly 6,000 students in 12 schools. You can find more information about the University of Missouri - Columbia Charter School Operations on their website: <http://musponsorship.missouri.edu>.

We thank the University of Missouri Kansas City (UMKC) and the Charter School Center for the support they have provided to Frontier Schools since 2007 and we look forward to working with them in their new support role.

If you have any questions regarding this transition, please contact Central Office or campus administrators.

Sincerely,

Ugur Demircan
